

LOOK AT THEM OVER THERE.

My my my. Those kids, so disrespectful and RUDE.  
Stupid young lady. WHO WANTS TO SEE YOUR **bright**  
**underwear** when you bend over?!?  
**NOT ME.**

**Those young lads just walkin' like they don't** have  
a care in the world **with them**  
long slingin' pants and their  
baggy shirts. Who **wants to see you tryin' to walk**  
like a **gold diggin' pimp?!?**  
**NOT ME.**

Young children don't have  
to worry about war! These  
days all they care about it their  
appearance and who  
they're going out with!

And who wants my children to finally have  
grandchildren and I have to deal with all this?!? **My my**  
**my.**

**NOT ME.**
